State Briefly and plainly why you are grieved, and what remedy you seek.

On 07-27-00 an employee who's routine duties and responsibilities are other than those of a Stockworker was sent off of the property to receive stock parts. This is a violation of Section 3.13 of the current Contract.

The remedy we seek is to have this stopped. We further seek to have employee # 7998 paid 3 hours of overtime with 1 hour callout and to have another position opened within the storeroom.

I HAVE SPOKE WITH DEPT SUPERVISORS AND AGAIN STATED PROCUREMENTS OBJECTION TO THEIR LOCAL P/U + DEL OF MATERIALS, THEY HAVE AGREED IN THE FUTURE TO NOTIFY THE STOREROOM LEADPERSON OR SUPERVISOR WHEN THIS SERVICE IS NEEDED
