

**GRIEVANCE ARBITRATION RESOLUTION BETWEEN  
KANSAS CITY AREA TRANSPORTATION AUTHORITY,  
AMALGAMATED TRANSIT UNION, LOCAL 1287**

**Canteen Funds**

This resolution of Grievance #2014-PC-01, Canteen Fund Annual Profits/Commissions, is entered into on June 26, 2014, by the Kansas City Area Transportation Authority (KCATA), Local 1287 of the Amalgamated Transit Union (Union).

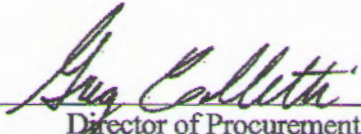

Considering the arguments made during the third step hearing on this matter and the union's proposed solution of establishing a canteen committee to allow employee input on the direction of a canteen fund, the KCATA acknowledges the following.

- A joint committee of Union and management will be established to form a canteen committee that will review all future vending procurements for employee areas and provide input.

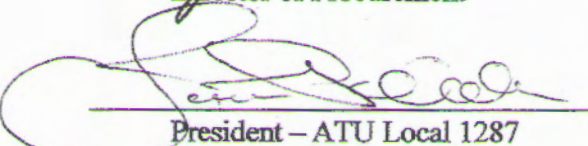

In the effort to bring this matter to an appropriate resolution, the Union acknowledges the following:

- Prices and the selection of equipment and products are based on anticipated sales volume and market conditions. Prices may increase or decrease based on market conditions and the cost of the goods to Treat America.

This agreement settles Grievance #2014-PC-01 in its entirety.
