KANSAS CITY AREA TRANSPORTATION AUTHORITY,
AMALGAMATED TRANSIT UNION, LOCAL 1287**

Carla Mann

This resolution of Grievance #2014-PC-03 is entered into on September 2, 2014, by the Kansas City Area Transportation Authority (KCATA), Local 1287 of the Amalgamated Transit Union (Union).

Considering the arguments made during the third step hearing on this matter, the KCATA acknowledges the following:

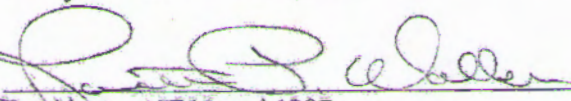

1. Processes have been established to allow Carla Mann to print purchase orders based upon the follow up meeting held on August 28, 2014;
2. No monetary compensation is requested;
3. An assigned backup from the Office Clerical (Linda Zucca) will cover for Carla Mann when she is off for extended periods.

This agreement settles Grievance #2014-PC-03, with no further action, and closes this grievance in its entirety.
